Sir.

With the object of providing funds for a water project for the town of Mudigere, the municipal Board of that place propose to levy duty on all the piece goods imported into that town at 2% on the value thereof. Rs 500/- per year are expected therefrom. At present only taxes on houses and mohatarfa are levied in that town. The amount collected is barely enough to meet the ordinary requirements. I herewith submit a statement of the receipts and expenditure for the year 1898-99 and beg you to obtain the sanction of Government to the levy of the proposed tax.
